

Reference Turkish Cargo Air Freight Reference Rates for Best of Rwanda Coffee Auction Shipments

To support your planning, we're providing these reference air cargo rates via **Turkish Airlines Cargo** for shipments originating from **Kigali International Airport (KGL) to various destination airports worldwide**. These rates are indicative only and apply to general cargo consignments (e.g., specialty coffee lots).

Please note that these rates are for reference only and are subject to variation based on the final shipment weight, volume, and precise destination airport details at the time of dispatch. Fuel surcharges, security fees, and other applicable charges may also apply.

If you elect to ship via Turkish Cargo, we will handle the transportation of your consignment to Kigali International Airport for weighing and inspection. At that stage, we will obtain an official quotation from Turkish Cargo, which will serve as the final invoice. Payment must be settled with our local Turkish Cargo agent prior to loading. Once confirmed, we will proceed with loading and dispatch from Kigali International Airport to your destination Airport.

Should you prefer an alternative carrier for door to door delivery such as DHL, please let us know, and we will promptly provide tailored rates and logistics support.

We hope this information allows you to plan your logistics with confidence. For your convenience, the reference rates are summarized in the table below:
